

Baptist Beaumont Hospital is dedicated to providing quality health services in a Christian environment in order to improve the health care of the people of Beaumont and the surrounding communities of Southeast Texas.

FOUNDATION
Performing Sacred Work Every Day

Baptist Hospitals of Southeast Texas Foundation exists to support the mission of the hospital: "Together, we perform Sacred Work by uniting kindness, quality, and healing...always." To this end we are working to support a number of initiatives throughout the hospital including new equipment purchases for a number of departments, purchase of new furnishings, and renovation projects.

Neonatal Intensive Care Unit
Baptist Hospitals of Southeast Texas has made tremendous strides to care for much tinier sicker babies in our Neonatal Intensive Care Unit (NICU). The high level of care that is provided decreases the need to transfer premature infants to Houston. The Foundation supports these efforts through the purchase of highly specialized equipment and upgrades to the care environment to support our NICU team and the fragile infants in their care.
